YIENN LIH ENTERPRISE CO., LTD.

www.yiennlih.com.tw

We are professional and have 47 years of experience

Yienn Lih Enterprise Co Ltd is located in Anping Industrial Zone, Tainan, Taiwan. Founded in 1975, it specializes in the production of plastic household products. With excellent quality and punctual delivery, it has won praise and strong support from customers. In 1997, we established a factory in Dongguan, China to make the price more competitive.

Dongguan Leng Jer Metal & Plastic Co., Ltd undertakes the Taiwan parent company's superb technology to continuously develop new products. In order to stabilize quality and reduce costs, we continue to update and strengthen our production automation, allowing our customers to deliver products assured.

In order to meet the needs of customers, we have expanded our business items from plastic materials to hardware products, wood products and Melamine products. We have been continuously designing and developing until now professional manufacturing. Our products include salt & pepper mill, Spice Rack, Tableware ,Melamine Ware Coffee Mills and Grinders have a wide range of products, therefore, we have also obtained different standards and certifications from countries around the world and meet international specifications.

Committed to the concept of sustainable management, we are currently building a new factory in Taiwan, and planning and designing new products, you are welcome to become our partner.
